# Foreword

Just as the sunrise is the beginning of a new day, our graduation is the sunrise of all our tomorrows . . . This dawning is our future, the hope for a new and better time. Without this hope our todays would be empty and our tomorrows dark.

As we look toward these tomorrows, we see stretched endlessly before us a new and brighter horizon. As we journey closer we will find the dreams for which we have been searching.

Our high school years are coming to a close, and looking towards the future we realize that time may cause our memories to dim, but it will never erase them. Our past has been a time of learning and growing. It is from the experiences of our past that we will draw the strength to pursue our ideals and dreams for the future . . .

"For ours are the dreams worth dreaming,
ours is the future worth striving for."

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

Tennyson

All men are born to die. The moment of birth is truly the first stage of a journey that leads inevitably to death. This irrefutable fact should make the onset of death an easily accepted event, but such is not the case. The mind which accedes to this rationality cannot influence the heart, and that is where death wounds most cruelly. It is neither rational nor logical, but it is very real nonetheless.

The man who has lived the just life is promised fitting recompense and has nothing to fear from death. Why then do we mourn? We mourn because we are selfish; our grief is for the loss of a treasured companion. We mourn because there is an emptiness in our hearts where once lived a friend. We mourn for the smile that no longer will greet us as we chance upon one another during the day. We mourn for the friend who always had a compassionate ear with which to listen to a problem. We mourn for a dedicated educator who helped thousands of young people find the right path into the adult world. We mourn for the husband and father who will no longer be able to share the small joys and triumphs, the trials and tribulations of day to day living with his family.

There are no words that can console those who grieve, that is something only time can do. With time, the rent torn in our hearts will mend a bit, but the scar that marks our loss will remain until the day when we also answer the call and cross the bar, as we put forth to sea.

We are going to miss you sorely, Jim.

## JUNIOR YEAR

Coming back to school as Juniors was a whole new experience. We were now upperclassmen and we had plenty of excitement and enthusiasm to go along with it. Representing our class in Student Government were Mary Kay Dahlberg, Kathy Kenton, Peter Nelson, Gail Pierce, Mark Robinson, Mary Sweeney, Mark Vaughan (Vice President) and Ruthie Mulligan (Secretary). Also representing us in Student Advisory were Steve Schwartz and Ginny Dudovicz. Our class officers were Cindy Cook, President; Cathy Hillman, Vice President; Pat Hill, Secretary; and Barby Schultheiss, Treasurer.

Receiving our rings in September gave us our first opportunity to show that we were at last upperclassmen. Football season came and so did homecoming. We tied with North Attleboro and we were able to welcome Hilda home for six months.

In January we sponsored a candy sale. Proceeds were to go towards our Junior Prom. We sold M and M's. The sale was a great success and it greatly increased the balance of our treasury. We added further to that balance with other fundraising activities, including the sale of Class of '77 buttons and a dance.

February and March were very busy months. We had a Greaser Dance sponsored by F.S.A. and Key Club in February. In March our Drama Class put on the play CAROUSEL.

Spring was approaching and so were the S.A.T.'s. They were given on April 3rd. We were all able to get them out of the way.

As the close of school approached it was time for the big social event of our year, the Junior Prom. It was held at the King Phillip Ballroom in Wrentham on June 11th. It was a beautiful moonlit night, which enabled us to use the King Phillip's beautiful terrace. The theme of the Prom was "We May Never Pass This Way Again."

Our Junior year came to an end and we looked forward to the following September with anticipation and high hopes for the beginning of an unforgettable Senior year.

CINDY COOK
PRESIDENT

## SENIOR YEAR

"I can't believe it! We're finally Seniors!" was the phrase that sounded in the corridors during those first few days following our return to A.H.S. With the coming of the 1976-77 school year, our new class officers — Mark Vaughan, President; Cathy Hillman, Vice President; Pat Hill, Secretary; and Barby Schultheiss, Treasurer — went into action in trying to lead the Class of '77 to an event-filled, memorable year. Heading the Student Government were four seniors, Ruthie Mulligan, President; Mark Robinson, Vice President; Mary Kay Dahlberg, Secretary; and Kathy Kenton, Treasurer. We had Rick Bassler, Judy Jacques, Jim Lattari, Pete Nelson, Gail Pierce and Patty Walsh as our representatives. Always standing by, our class advisors were Mrs. Virginia Brooks, Mr. Kenneth Schultz and Ms. Martha Trudeau.

As the year got underway with the kick-off assembly, many brave and talented students helped bring the coming attractions to life on stage. The enthusiasm with which the students received the presentation showed everyone that the special aura surrounding the "senior year" had taken hold of this group and it brought us all together and started us off in the direction of good-times and achievement.

Enormous profits marked the success of the senior candy sale as through the efforts of the top sellers like Ed Godin, Dennis Blanchette, Sandy Lebeau and everyone who participated, we were able to take ten dollars off each couple's cost to attend the prom. The class spirit exhibited during the candy sale carried over as Blue and White Day and the first annual Spirit Week were sponsored by the Senior Class. Spirit Week featured the Harry Stokes Hat Day on October 13th, T-Shirt Day on the 14th and the Second Annual Hero Day on the 15th. The Dress-up days were all fun but it will take some doing to have more fun than was had by all at the First Annual Powder-Puff Football Game. Senior Coach Will Wright's efforts were much appreciated as he led the seniors to fabulous 26-6 win over the juniors. Over 500 fans were on hand to witness the girls in action on the gridiron (or were they there to see the cheerleaders?). Who will ever forget those Senior Babes (What legs!)?

While all this had been going on, preparations for our Senior Prom had begun. Getting everyone involved was a goal that we set at the beginning of the year, and now it was beginning to happen. Over 80 students took part in prom committee work as Greg Maslen, JoAnn Marcure, and Janet Mitchell of Graphic Arts, Scott Conlin, Kelly Piché and the Culinary Arts Exhibiting Team as well as many others were all instrumental in the success of the Formal. After all the preparation on November 19, 1976, 508 people attended the Senior Prom at the elegant Chateau DeVille. The theme of "New Horizons" was depicted on the cake made by Culinary Arts and Mark Vaughan crowned Wendy Wild as the Queen, highlighting an unforgettable evening. Never before had so many people enjoyed a Senior Prom at Attleboro High School.

We had hardly recovered from the post-prom activities when the work began for our Thanksgiving Day Float. Greg Maslen hosted the building as a highly skilled team of electricians (Tom Oldham and Mark Laprade), carpenters (Rick Oliver and John Hiatt), artist (Dave Nyzio), napkin twisters (Carolyn Gilson and Karen Henry), and watcher (Tony Pino) assembled a mechanical work of art that took first prize in the First Annual Student Government-sponsored Float Contest.

With Thanksgiving, the Fall Sports season ended depressingly with a loss to North (but we got them back in basketball — twice). It was totally uncharacteristic of the season, though, as all the teams experienced success, with three soccer, field hockey and volleyball — qualifying for the State Tournament.

With Christmas getting nearer, the Drama Class staged a heart-warming version of Scrooge, and the class began asking for Blood Donors. With half the class laden with colds and a snow-filled December 17th to boot, we were able to donate 63 pints of blood to the Red Cross, for our Christmas Gift. With Christmas vacation upon us, the spirit of the season and the optimism of winter sports coaches filled the air.

Our return to school signalled the start of 1977, our graduation year. The excitement of basketball and hockey games and swim, track, and gymnastic meets filled the sports schedule.

On the Social Scene, Mr. Haselton's Square Dance Class brought out the hillbilly in all of us and got us ready for our own Hillbilly Day Square Dance held on March 11th. Student Government sponsored the Sadie Hawkins Dance in January and everyone could still look forward to the Greaser Day Dance. With a little luck the Winter Festival became a reality.

Getting back to business, everyone mailed last minute applications to colleges and began preparations for semester finals. Organization of the year-end activities was underway and feeling of Spring soon hit us. We saw the school play and sponsored another Blood Drive; found out where we would be going to school next year and began to prepare for baseball, track, tennis and golf.

Class Night, the Reception and the Breakfast, like all other things, will enter our lives with excitement and fade out as a memory. Then . . . graduation will culminate one of the best years of our lives . . . a year that has seen nothing but success and achievement from start to finish. With this spirit of achievement, we enter the world striving toward "New Horizons."

MARK G. VAUGHAN
President

*Mrs. Virginia Brooks*

*Mr. Kenneth Schultz*

Support and guidance are the most important things Class Advisors could give any class. Our class, the Class of 1977, has received a tremendous amount of both from our advisors. They have been able to blend independence, authority and respect as they worked with us. We have been able to work on our projects and choose our activities knowing that our advisors were behind us, willing to give their advice whenever we needed it.

The Class of 1977 would like our advisors to know how much we have appreciated their help. No value could possibly be placed on the time and thought they have given us in the past four years.

Mr. Schultz, Ms. Trudeau and Mrs. Brooks . . . Thank You.

The 1976 Cross Country team finished its season with a strong 8-2 record. With almost the same team as the 1975 squad, which was 0-6, hard work, desire, and discipline made the difference. For the first time, A.H.S. had a full girls' team which finished the season with a 3-3 record. The team was led by senior Mary Woll.

*Mary Woll*

The 1976-77 Winter Track Team comprised a record of 6 wins and 1 loss, losing only to State Champions New Bedford by 2 points. Attleboro avenged the loss two weeks later by defeating New Bedford by a half a point to win the S.E. Mass. Division I Championship.

The team was led by seniors Mark Miller (5th in state shot put and 50 yard dash), Mark Hanewich (300, Hurdles), Ernie Goulet (hurdles, relay), Steve Curran (high jump, 600, relay), Greg Downing (mile), Chuck Panasis (shot put), Mike Davidson (2 mile), and Ben McCracken (2 mile).

Three senior girls excelled this year, Sandy Dubuc (shot put), Sharon Clegg (50, 220, relay) and Mary Woll (mile).

With outstanding underclassmen returning in each event, continued success is expected for the next two years.

# *Hockey*

Our first year in scholastic Hockey, SE Mass. Division II Conference was indeed a good one. With one league game remaining, we have qualified to play in the Eastern Mass State Hockey Tournament. Our League record is 5 wins, 2 losses, and 4 ties. Our overall record is 9 wins, 4 losses, and 5 ties. We had the most comprehensive mixed bag of team members imaginable. There was a Computer Scientist (BN), a Math Wizard, a candidate to the Air Force Academy, along with Carpenters, Electricians and a few Artist, just to mention a few. Our record speaks for itself. The team was dedicated and they have to be described as "TERRIFIC" by their Coach. All in all it was a great year; all can be proud of it.

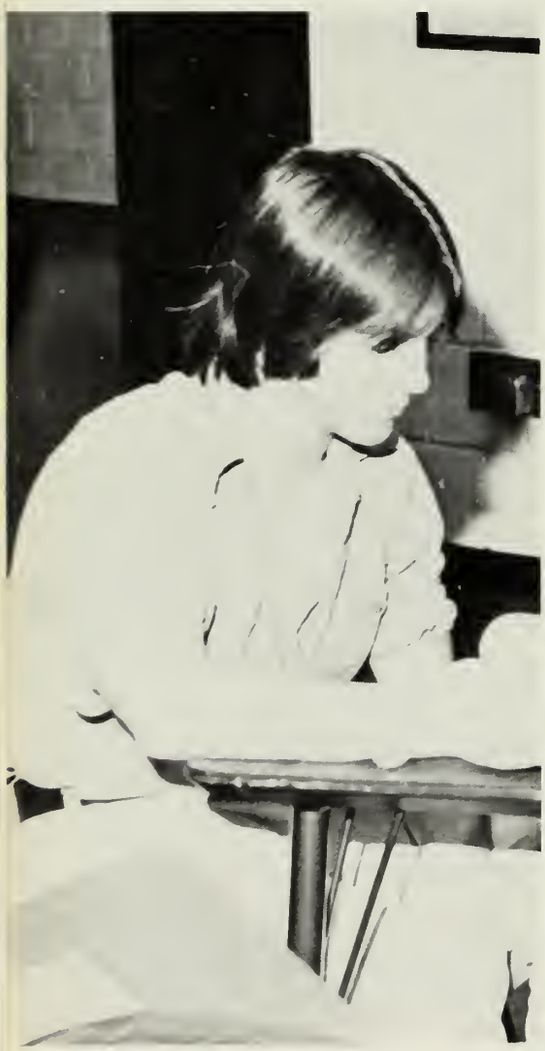
## *The Junior Class*

After entering our Junior year with a fairly large treasury and a lot of class ring flaunting, we are finally settling down to the business of our Junior year. We won the Spirit Link Contest first, a class of 78 tradition it seems. Then, in October, came one of the highlights of our Junior year . . . PSAT's.

Thanksgiving will be a big event for our class this year. We will be selling hot chocolate to warm the fans and to fatten our treasury while we try to peddle candy at the same time. We will also be involved in a contest among the four classes to see whose homecoming float is the best. In December, we look forward to a disc jockey dance and in May to our final event . . . The Junior Prom, to be held at the Hearthstone Inn in the Regency Ballroom.

Barry Goodinson,
Junior Class President

# *Class of 1979*



## *The Sophomore Class*

The Sophomore Class has been into a lot of activities so far this year. The month of October was a busy one. During the first week we sold magazine and record subscriptions which turned out to be very successful. Later that month, we had fun sponsoring our first dance which helped to build up our treasury. Selling peanuts and confetti at the football games were some of the other activities we have been doing.

The Sophomore Class sold carnations in school and at the Turkey Game. Some time after the new year, we plan to be selling candy during our fund raising week. Instead of sponsoring another dance, we were thinking of having a sophomore gathering.

Considering we were left penniless, I'd say we've come a long way. We hope things keep going as well as they have been. With the spirited class that we have and a great advisor like Linda A. Gorst, I don't see how we can go wrong.

Elaine Brathas
Sophomore Class President

# *Class of 1980*

## *The Freshman Class*

Upon entering your freshman year in high school, there are many obstacles to overcome. One of them is establishing a reputation for your class.

High school living was a new environment for us and we wanted to start off on the right foot. We wanted to prove we were spirited from our heads to our toes. We wanted to get involved in as many activities as possible, hoping to make A.H.S. the best school yet.

We were actively involved in making a float for the Thanksgiving Homecoming celebration, many dances, bake sales, and other fund raising events.

Jeanne Cuddy,
Freshman Class President
